

We  
extend our thanks to:

**OUR EMPLOYEES** For your dedication and contributions that ensure the success of every project for our valued clients and your encouraging teamwork that has resulted in TEAC's successful leadership in the industry. **OUR CLIENTS** For entrusting us and engaging us for so many years to be a part of your projects' innovations and legacies. We are grateful to have had the opportunity to participate in so many rewarding projects and partnering with you in "making place" within and surrounding our communities. **OUR VENDORS** For always finding the word YES in your vocabulary and delivering on your promises around the clock—even if it meant delivering drawings at 3:00 am to meet a deadline! **OUR ASSOCIATIONS** The AIA East Bay, BIA North State, BIASJV, CBIA, CFSEI, HBANC, HomeAid, ICSC and NAHB for creating room at the table where we could make a difference, not only for our business, but for our industry and community. **OUR COLLEAGUES** We thank every colleague that has supported, mentored, encouraged and promoted our success. **OUR FAMILY AND FRIENDS** We covet the support that our family and friends have provided to us as we have grown the business over 20 years - they have continued to energize our passion for building safer communities through a strong foundation of core values.

**TO EACH AND EVERY ONE OF YOU** that has been a part of TEAC Structural Engineering's 20 years in business, we wish to acknowledge you, celebrate with you and extend our heartfelt thanks to you.

At this proud milestone, we acknowledge and celebrate our **20th anniversary**, which would not have been possible without the support we received from you—our friends, clients and colleagues.

Our sincerest gratitude,
