## **TEAC STRUCTURAL ENGINEERING IS RELOCATING ON JUNE 26TH, 2009**

Our office is relocating on Friday, 06/26/09. Please note that our office will be closed on Friday, 06/26/09, while we move. We will reopen at 9:00 AM on Monday, 06/29/09. Thank you for your patience during our transition.

Please update your records with our new address information:

TEAC Structural Engineering  
2671 Crow Canyon Road, 3rd Floor  
San Ramon, CA 94583

Our phone and fax numbers is unchanged:  
925.275.0110 | O      925.275.0126 | F

Our website address is unchanged:  
[www.teacengineers.com](http://www.teacengineers.com)

Some of our colleagues and clients may recognize this familiar address. For many years, this building served as the headquarters for Dahlin Group Architecture Planning. Currently, it is the headquarters for Gates and Associates Landscape Architects. With TEAC's current lease expiring, we are very excited to relocate from a corporate office park environment into a design group environment and to be neighbors with our highly regarded colleagues at Gates and Associates.
